Create a festive handmade banner that is perfect for the season. This activity is simple, and the banner is lots of fun to make. This is a great activity for the classroom and home.

3 EASY STEPS!

- 1 Print out the letter pages. You can print the letters in color, or print them in black and white and children can color the letters themselves.
- 2 Use hole punch to create two holes at the top of each letter page.
- 3 Thread ribbon or yarn through the holes at the top of each letter page. Hang and enjoy your banner!
